### Description

#### Ingredients:

Pure New Zealand Manuka Honey certified UMF® rating 10+

#### Key Features:

- UMF® 10+ refers to Manuka Honey's unique anti-bacterial properties.
- These unique properties help support the body's immune system.
- Extremely good for upset stomachs and bowels.

Only genuine Manuka Honey with a UMF® rating of 10 or more is considered to be of therapeutic value and UMF® 10+ is itself probably becoming the most popular of all UMF® Manuka Honeys. UMF® Manuka Honey contains hydrogen peroxide plus its own natural antibacterial properties. It is this unique, additional activity that gives it the special antibacterial healing potency and UMF® 10+ Manuka Honey has a very useful strength of therapeutic properties, ideal for maintaining the body's well-being

Licence number 1033 - UMF® registered.
