## Description

### Key Ingredients:

Unperfumed soap with vitamin E and propolis.

### Key Features:

- A unique soap for the total body.
- Encourages skin repair and effective moisturising.
- Leaves the skin soft and smooth.
- For all skin types and especially good for sensitive skin and skin problems.

## More

A healing and soothing botanical and honey soap formulated with active manuka honey to soften and protect. Designed especially for skin problems & sensitive skin. It has a gentle and soft cleansing lather, and leaves the skin clean and soft. It protects, moisturises and relieves dry skin. Not perfumed.

## **Usage**

### **Recommended Usage**

Ideal for use on the total body with excellent cleansing and soothing qualities. A very gentle soap for all ages.
