FAQs

What do you recommend for Eczema and Dermatitis?

We recommend the 16+ Active Manuka Honey crème (Skin Care Crème) for general Eczema. The 18+ Active Manuka Honey & Propolis crème (Skin Health Crème) is best for severe Eczema, Dermatitis and Psoriasis.

Are Madeleine Ritchie products suitable for sensitive skin?

Our whole range of Madeleine Ritchie skin crème is suitable for all skin types but it is especially effective for skin that is sensitive. The natural extracts used in Madeleine Ritchie skincare being concentrated and totally free of chemical additives, are very appropriate for sensitive skins. Many of our customers have found they are the only products that suit their sensitive skin.

What is the history of the Madeleine Ritchie range you sell?

Founded in 1963, Madeleine Ritchie skincare has become one of the world's leading natural skincare brands. The company traces its proud heritage to the European Spa town of Royal Tunbridge Wells in Kent, England. Madeleine continued the development of the products in Auckland, New Zealand in 1982 sourcing all local ingredients.

Madeleine Ritchie skincare is an innovative company having created the world's first honey skincare products and pioneered the development of the world's first active Manuka Honey skincare.
