Description

Key Ingredients:

This lovely body crème has been specially formulated using Royal Jelly, rich in nutrients and blended with Pure Manuka Honey and Beeswax with essential oils of Evening Primrose and Rosehip, and Aloe Vera. Hydration: 100% pure spring water sourced from an artesian spring in New Zealand.

Key Features:

Especially suitable for dry skin and targeting problem areas such as elbows, knees and heels, the lightweight lotion is readily absorbed, leaving your skin feeling smooth, softened and refreshed, with a lovely natural scent and no oily after-feel.

- Promotes immediate conditioning and softening
- Easily absorbed and non-greasy
- Purifying honey and botanical formula

- May be used anytime to hydrate, soften and heal
- Lightly fragranced with Royal Lemon

More

The active botanical ingredients in this nourishing body lotion act in combination to hydrate and refine the surface texture. Royal Jelly and Manuka Honey are rich in nourishment and are excellent moisturisers.

A rich, luxurious formula that hydrates, moisturises and protects the skin and leaves the skin feeling velvety soft, smooth and lightly fragranced with Royal Lemon. It firms and improves the skin elasticity giving the skin a more youthful look.

- No Parabens
- Alcohol free
- Against animal testing
- For all skin types

Natural Luxury Skincare - Produced in New Zealand containing Pure Manuka Honey

Usage

Massage generously all over the body. We recommend patch testing before first use.

FAQs

Which Face Crème do you recommend to best compliment Royal Jelly Body Crème?

Royal Jelly Face Crème with Pure Manuka Honey is the perfect compliment to Royal Jelly Body Crème. It is a unique Face Crème containing powerful moisturising ingredients which enhance the clarity and vitality of the skin and help protect against visible signs of ageing, keeping the skin smooth and soft.

Are Madeleine Ritchie products suitable for sensitive skin?

Our whole range of Madeleine Ritchie skin crème is suitable for all skin types but it is especially effective for skin that is sensitive. The natural extracts used in Madeleine Ritchie skincare being concentrated and totally free of chemical additives, are very appropriate for sensitive skins. Many of our customers have found they are the only products that suit their sensitive skin.

What is the history of the Madeleine Ritchie range you sell?

Founded in 1963, Madeleine Ritchie skincare has become one of the world's leading natural skincare brands. The company traces its proud heritage to the European Spa town of Royal Tunbridge Wells in Kent, England. Madeleine continued the development of the products in Auckland, New Zealand in 1982 sourcing all local ingredients.

Madeleine Ritchie skincare is an innovative company having created the world's first honey skincare products and pioneered the development of the world's first active Manuka Honey skincare.
