Description

Key Ingredients and Essential Oils:

New Zealand Active Manuka Honey 16+ and Bio Grade New Zealand Clover Honey renowned for their healing, blended with Evening Primrose Oil.

Key Features:

- Powerful healing ingredients for use with skin problems and dry skin.
- Promotes rejuvenation and smoothing of the skin.
- Supplied in tubes and jars.

The 16+ honey used in the formulation of this special crème represents a high level of antibacterial activity.

More

The special formula promotes rejuvenation and smoothing of the skin. The crème hydrates and restores skin to its natural supple state to improve skin elasticity while minimising the signs of environmental stress on the skin.

The problem area is targeted giving maximum antioxidant impact. The crème restores a healthy skin barrier and improves moisture retention.

Key ingredients and essential oils: New Zealand Active Manuka Honey 16+ and Bio Grade New Zealand Clover Honey renowned for their healing, antibiotic and antiseptic qualities, Persea Gratissima (Avocado) Oil, Cera Alba (Beeswax) and Oenothera Biennis (Evening Primrose) Oil.

- Not tested on animals
- Fragrance free

Usage

Apply morning and night or at any time that is necessary.

- Problem areas are targeted giving maximum antioxidant impact.
- An excellent general purpose crème.

Skin Care Crème has been specially developed for skin problems and is very beneficial for eczema, dermatitis, rashes and dry skin.

It will promote healing and skin clarifying to make the skin look younger and healthier. A natural, luxury honey skincare crème.

We always recommend you patch test a small amount on the inside of your wrist for several days before you use it on your face. If you have any redness, itching or irritation, it may indicate an allergy and you should discontinue use and seek assistance of a qualified health practitioner.

FAQs

What do you recommend for Eczema and Dermatitis?

We recommend the 16+ Active Manuka Honey crème (Skin Care Crème) for general Eczema. The 18+ Active Manuka Honey & Propolis crème (Skin Health Crème) is best for severe Eczema, Dermatitis and Psoriasis.

Are Madeleine Ritchie products suitable for sensitive skin?

Our whole range of Madeleine Ritchie skin crème is suitable for all skin types but it is especially effective for skin that is sensitive. The natural extracts used in Madeleine Ritchie skincare being concentrated and totally free of chemical additives, are very appropriate for sensitive skins. Many of our customers have found they are the only products that suit their sensitive skin.

What is the history of the Madeleine Ritchie range you sell?

Founded in 1963, Madeleine Ritchie skincare has become one of the world's leading natural skincare brands. The company traces its proud heritage to the European Spa town of Royal Tunbridge Wells in Kent, England. Madeleine continued the development of the products in Auckland, New Zealand in 1982 sourcing all local ingredients.

Madeleine Ritchie skincare is an innovative company having created the world's first honey skincare products and pioneered the development of the world's first active Manuka Honey skincare.
